It's time to start planning summer activities. Aero Gymnastics Fun & Fitness Program is a great place to spend the summer. We have *10 amazing camps* to choose from this year! Boys and girls, ages 3 to teen will find something fun to do at Aero. Our schedules are flexible, so you choose - spend the week or just the day in the themes of your choice.

Camps run from June 27th to Sept. 2nd.

2011 Theme Weeks

June 27 A Bug's Life

Learn to locate, identify and understand more about the creatures that live among us. Campers will use their creativity and adventurous skills to explore and solve challenges within the group.

July 3 Incredible Edibles

Learn how to choose and make healthy foods. Understand the importance of daily exercise. Make your own healthy snacks each day. Campers will map their fitness - travel to different areas on the world map using fitness goals as your transportation! Prizes!!!

July 11 Hawaian Hullabaloo

Learn to limbo! Have fun with grass skirts, surf boarding contests, and island crafts.

July 18 Moovin' and Groovin'

All week long learn different routines while being exposed to different kinds of music. This is not a week for only for someone who likes dance, but for everyone who loves to be active and have fun.

Learn to move to the music of the roaring 20's, the sock hop 50's, the groovy 60's, and the disco 70's.

July 25 Splish & Splash

Campers will play outdoors and have fun with water balloons, squirt guns, sprinklers, and more! Bring your bathing suit all week long as we play in the sun and have fun with water. Watch as we grow our own water animals.

August 1 Creative Creations

Campers will find their creativity. Using their right brains to make masterpieces using crazy materials! Bring a tee shirt on Friday as we learn to tye-dye.

August 8 Mysterious Minds

Campers will enjoy solving mysteries all week, in hopes of finding hidden treasures on Friday. Bring your detective skills because this week will get adventurous!

August 15 Science Explorers

Children will be exposed to different experiments. Work in groups to solve scientific challenges. Children will love this week as we watch things explode (safely) and melt!!! A scientastic week.

August 22 Olympic Week

Olympic challenges to teams of campers. Everyone is encouraged to bring their creative mind, unique personality, and talents to compete for a grand prize. The more days you come, the better your chance to win!

August 29 Farewell Summer

Campers will enjoy a little bit of every previous camp week. Bring your bathing suit, taste buds, and a little bit of nostalgia as we travel through each camp week, as a farewell to summer 2011!
